APPLICATION FOR STUDENT ENROLMENT**

# MacGregor State School

MacGregor QLD 4109

## Welcome to MacGregor State School

### From the Principal

Thank you for applying for enrolment of your child at MacGregor State School.

Our school opened in 1972. We have established a very proud reputation as a school of excellence, consistently being one of the highest performing schools in student academic, performing arts and sporting results. Our school offers programs for about 1300 students in Prep to Year 6.

Our local community supports our school through high demand for enrolment. Nearly 70% of our students identify with a non-English speaking cultural background. A copy of our Enrolment Catchment Boundary Map, our Enrolment forms and processes are on our school website.

Our school has successfully introduced the Australian National Curriculum from Prep to Year 6. We focus on improving all students' outcomes in English, Maths and Science using 21st century teaching strategies and technologies. To accelerate learning all our classrooms have access to internet connected devices.

We recognise that our students have a full range of gifts and talents that we seek to develop. We have full uniform and high expectations on behaviour. At our school we believe that the education of our children is a partnership involving both the home and the school. We aim to work in a positive partnership with parents to develop every child to their full potential.

Further details on our school are available on our school website or contact our Enrolment Officer – Mrs Desley Andresco on 07 3323 4333.

Kind regards

**Lee Gerchow**

## General Information

At MacGregor State School we are an Enrolment Managed School. This means you must live within our “catchment area” to have automatic enrolment into this school. You can view the catchment area map on our website to check your address.

**If you reside in our “catchment area”,** your enrolment is automatic into MacGregor State School. When submitting enrolment forms, please come prepared with the correct documentation, otherwise the enrolment process cannot proceed.

### Proof of Residency – In Catchment Enrolment

Our school continues to experience high demand for enrolment. To ensure all our local “in catchment” students can attend our school, our Enrolment Management Plan provides clear direction on how enrolment applications will be managed.

Our Enrolment Officers must be very detailed in their checking of documentation of student’s principal place of residence by asking for:

- ☐ Utility bills (e.g. water bill) or a series of bills at for the same address over a sequential period to demonstrate continued/ongoing residency
- ☐ Electoral Roll verification letter
- ☐ Mobile phone statement (*with current address details*)
- ☐ Driver’s Licence (*with current address details*)
- ☐ Bank statement (*with current address details; financial details are not required*)
- ☐ Tax Assessment Notice (*financial details are not required*)
- ☐ Documents demonstrating recent change of address / re-location to within the school’s catchment area (e.g. proof of sale or termination of lease for the previous principal place of residence in a different catchment).

If any of these documents are not provided, then a properly sworn Statutory Declaration from the enrolling parent or legal guardian attesting that the student’s principal place of residence is the place nominated in the enrolment application will be required.

*Applicants should note that a false statement/assertion about the student’s principal place of residence may amount to an offence and may be reported to police. The Principal may repeal a decision to enrol a student in such circumstances. Any enrolment application received supported only by a Statutory Declaration, will be conditionally accepted until reviewed and approved by the Principal.*

**If you reside outside the “catchment area”** you are very much encouraged to apply for enrolment here at MacGregor State School as some of our enrolments come from outside the “catchment area”. There will be an Enrolment Processing Fee of \$50 per child (to a maximum of \$100 per family), this non-refundable fee is payable on an offer of an enrolment place, this will be confirmed by letter, you must return the slip at the bottom of the letter along with the fee to the school by the due date for your enrolment to be confirmed. You will also need to submit the documents listed above when handing in your enrolment documentation.

Out of catchment students applying for enrolment at this school are placed on a waiting list, and if a place becomes available will be assessed in order of receipt.

Please note that enrolment applications only remain on the waiting list for the current year.

### QPARENTS

QParents is an App available to parents, which can be downloaded to your phone, tablet or portable device. It allows parents to have direct access to important information about their child. These include, updating personal details, advising the school of absences, viewing report cards and paying financial accounts and invoices issued by the school.

#### Financial Delegation in QParents

The parent listed as **Parent/Carer 1** in the **Student Family Details** area of the **Application for Student Enrolment Form** will receive student invoices raised in their name and will also be able to make payments from their QParents account.

QParents is proving to be very popular with parents, allowing them to keep up to date with information about their child. Credit Card payments for excursions and school based activities can be paid through a secure server using the QParents App.

The person listed as Parent/Carer 1 will be the main contact for QParents and will receive the email invitation to register.

***This person must have a valid email address that is active and current***

### EMAIL ACCOUNTS

Email is the preferred method of communication between home and school. It is important that current email addresses are kept updated with the school.

Important information from your child's teacher, communication from members of the Admin Team and general school notices and newsletters are emailed home to parents.

Additionally, school report cards are emailed home twice a year.

If for any reason your email address changes throughout the year, please advise the school immediately.

## Application to enrol in a Queensland state school

This sheet contains information on how to complete the Application for student enrolment form (SEF-1 Version 8).

### Entitlement to enrolment

Under the *Education (General Provisions) Act 2006 (Qld)* a state school must enrol a prospective student if they are entitled to enrolment. While not exhaustive, the following matters may affect a prospective student's entitlement to enrol in a state school:

- if the school has a School Enrolment Management Plan or an Enrolment Eligibility Plan (enrolment is subject to eligibility under the plan)
- the applicant is a prospective mature age student (the applicant can only apply for enrolment at a mature age state school and will be subject to a satisfactory criminal history check, or as a student in a program of distance education. All prospective mature age students must have a remaining allocation of state education.)
- the prospective student is not of correct age for enrolment (relates to Preparatory Year and Years 1 to 6)
- the prospective student has been excluded, or is subject to suspension from a state school at the time of the application
- the school principal reasonably believes that the prospective student presents an unacceptable risk to the safety or wellbeing of members of the school community (application is referred to the Director-General)
- the school is a state special school and the prospective student does not meet the criteria for enrolment in a special school
- the proposed enrolment requires approval as part of a flexible arrangement under s.183 of the *Education (General Provisions) Act 2006 (Qld)*, and the arrangement has not yet been approved
- the prospective student is not an Australian resident or citizen or the child of an Australian permanent resident or citizen (visa restrictions may apply, fees may be charged, in some cases legislation requires that the prospective student must obtain approval from the Chief Executive via Education Queensland International (EQI) to enrol)
- the school does not offer the year level that the prospective student should be enrolled in
- the prospective student has no remaining semester allocation of state education. Enrolment cannot proceed until additional semesters are applied for by the prospective student (or parent on their behalf) and granted.

### Prospective student

A prospective student is a person who has applied to enrol at a state school but who has not yet been accepted for enrolment.

### Parent's occupation and education

All parents across Australia, no matter which school their child attends, are asked to provide information about family background (answering this question is optional). The main purpose of collecting this information is to promote an education system which is fair for all Australian students regardless of their background.

### Court Orders

Any court orders concerning the prospective student's welfare, safety or parenting arrangements should be provided to the school, and the school should also be provided with any new or updated orders.

### Name on enrolment form

A prospective student should be enrolled under their legal name as per their birth certificate. There is provision to also record a preferred family and/or given name. The preferred name will be used on internal school documents such as class rolls. The legal name will appear on semester reports unless there is a specific request to use the preferred name only. This request can come from parents/carers or the student (if the student is independent/mature age).

### Gender

Information about gender is supplied to the Federal Government to comply with State funding agreements. The gender category with which a person identifies may not match the sex they were assigned at birth. There is no requirement for a student's gender recorded on this form to align with the sex shown on their birth certificate or passport.

### Religious Instruction

Religious instruction is a program approved and provided by a religious denomination or religious society. Other instruction relates to part of a subject area that has been covered within the curriculum and may include, but is not limited to, personal research and/or assignments, revision of class work, and wider reading. Information about religious instruction available at the school, and about other instruction, is provided by the school at the time of enrolment and on the school's website.

## Internet Usage Agreement

### **INTERNET USAGE PERMISSION FORM**

The Department of Education requires us to hold a permission form for every child that will have access to the Internet. The Internet will be aimed at enhancing educational activities, research and learning.

While we are aware of some concerns regarding some of the types of information available on the Internet, children will usually be under adult supervision.

#### **PARENT OR CAREGIVER CONSENT** *(All Students Years Prep – 6 need parental consent)*

I understand that the Internet can provide students with valuable learning experiences. I also understand that it gives access to information on computers around the world, that the school cannot control what is on those computers, and that a very small part of that information can be illegal, dangerous or offensive.

I accept that, while teachers and supervisors will always exercise their duty of care, protection against exposure to harmful information must depend finally upon responsible use by students. I understand that Departmental and school filters are in place for screening of material and these filters will prevent access to most unsuitable sites.

I agree for the school to use my child's written work (eg stories and poems), paintings, pictures, drawings, designs, photographs, videos, films, music, performance, computer programmes, web sites, sculptures, fashion or costume, or any other works for publication on the Internet. I understand that if a photo of my child is used that no identifying information will accompany it.

I believe \_\_\_\_\_ (student's full name) of \_\_\_\_\_ (Class) understands this responsibility and I hereby give my permission for him/her to access the Internet under the school rules. I understand that students breaking these rules will be subject to appropriate action by the school. This may include loss of Internet access for some time.

**DURATION**

If the Department, the State or another person permitted by them is using the Individual's personal information or Individual work, or has entered into contractual obligations in relation to the Department's material that incorporates the Individual's personal information or Individual work, the consent will continue in relation to that material until the use is complete or until the contractual obligations come to an end. It is not possible for the Signatory or the Individual to withdraw the Individual's personal information or Individual work or revoke this consent in relation to such existing uses of that material.

If you do wish to revoke or modify this consent in relation to any further new uses of the Individual's personal information or Individual work, the Individual or the Signatory should send a notice in writing to the person nominated in Section 9 of this Consent Form. After that notice is received, the Department and the State will still be able to continue the existing uses, but will not be able to make any further new use of the Individual's personal information or Individual work.

The Signatory acknowledges that where material is uploaded to a Social Media website or other website:

- the use and contractual obligations may be perpetual and irrevocable; and
- it may not be possible to ensure that all copies of the material are deleted or cease to be used, and the Department and the State will not be responsible for doing so.

- This Consent Form is a legally binding and enforceable agreement between the Signatory and the Department or the State,
- Nothing in this Consent Form limits the rights that the Department or the State reserve in relation to the use of the Individual's personal information, Individual work or other intellectual property under any other law.
- The 'Department' and the 'State' include the officers and employees of the Department and the State engaged in performing services for the Department and the State.
- 'Social Media Website' includes any website operated by a third party which facilitates the uploading and sharing of user generated content, including social and professional networking websites, web forums, blogs and wikis.
- This consent extends to the Department and the State:
  - disclosing the Individual's personal information and Individual work to the Department's and the State's agents, contractors and volunteers for the purpose of performing services for the Department and the State; and
  - permitting those persons to use, record and disclose such material to the same extent as the Department and the State are entitled to deal with the Individual's personal information and Individual work.

**NOTE**

The Department will use its best endeavours to ensure the person signing this Consent Form is authorised to do so, but takes no responsibility for circumstances in which it is misled as to the identity or authority or ability of a person to provide consent.

If you require a copy of this signed Consent Form, or if you wish to revoke this consent, please contact the Principal of the school at which the Individual is enrolled or works or send a request in writing to the District Office.

**INFORMATION****What is this consent for?**

This Consent Form authorises the Department and the State to use the Individual's personal information and copyright material, together with information about the Individual's participation in Departmental and State initiatives, for any use by the Department and the State associated with the purposes identified in Section 6 of this Consent Form. The consent covers the entire or partial use of the Individual's personal information and copyright material in conjunction with other words and images.

For example, the Individual's personal information and copyright material may appear in school newsletters, magazines, websites (including Social Media Websites) and other school, departmental or State publications, as well as in television advertising, videos, brochures, forms, public relations displays, annual reports, press advertising, internal documents such as manuals, websites, certificates and strategic plans, and posters and other promotional material. There may also be occasions on which the Department may approve the media, such as local newspapers and television stations, using information and copyright material in relation to the Individual (for example, where the Individual is involved in dramatic or musical performances, sporting activities or award ceremonies).

**Websites**

Individuals and Signatories should be aware that publication of an Individual's personal information and Individual work on Social Media Websites is similar to publication in newsletters, magazines, brochures, etc; however publication on Social Media Websites is publication of that material to the world at large.

Individuals and Signatories should be aware that the publication of an Individual's personal information and Individual work, by the Department or the State, on a Social Media Website typically constitutes a permanent and publicly available record of that material. This means that anyone may be able to copy and use an Individual's personal information and Individual work that has been published on a Social Media Website for any purpose and without the consent or knowledge of the Department, the State or the Individual. Individuals or Signatories should not grant their consent to the Department or the State to use an Individual's personal information or Individual work in connection with a Social Media Website if the Individual or Signatory does not agree to the material being permanently available to the public.

---

If an Individual's personal information or Individual work is published on a Social Media Website, that material will be governed by the privacy policy and terms of use of the relevant Social Media Website. The Department or State cannot reasonably control how an Individual's personal information or Individual work is used by third parties once the material has been published on a Social Media Website.

**What is copyright material?**

An Individual's copyright material may include written work (e.g. stories and poems), paintings, pictures, drawings, designs, photographs, videos, films, music, performance, recordings, computer programs, websites, sculptures, fashion, metal- or wood-works made by them or to which they contributed. In the case of students, it includes, but is not limited to, work that they create in the course of their studies during the time they are enrolled at a State school. These materials may form part of their academic assessment or be part of their studies generally and may attract copyright.

The Department understands that students and volunteers generally own the intellectual property rights in the material they create and that this Consent Form is not meant to transfer the Individual's ownership of the intellectual property in their copyright material.

**This Consent Form does not provide for copyright consent in relation to copyright works an Individual creates in the course of employment** (whether or not the material is created in normal work hours or using departmental facilities or equipment). Where copyright material is created by a State employee while performing their duties under the terms of their employment, the copyright is owned by the State as the employer (section 35 *Copyright Act 1968*). There are limited exceptions to this including, for example, where the copyright material is created by an employee pursuant to a prior agreement with the employer.

Generally, the deciding factor is whether the employee is performing their official duties. In addition, section 176 of the *Copyright Act 1968* applies where the work was created by or under the direction or control of the State. However, moral rights may still apply to copyright material created by an employee. The *Queensland Public Sector Intellectual Property Principles* provide further information on intellectual property. If as an employee you have any further queries about the ownership of the intellectual property in respect of the works you create you should contact the Legal and Administrative Law Branch.

**What is personal information?**

Personal information includes information or opinions, whether true or not, about an individual whose identity is apparent or can reasonably be ascertained from the information or opinion. This includes the Individual's name, image or video or sound recording. It also includes the Individual's educational information such as the Individual's assessment and results, and health information and court orders provided to the Department, where such information may enable the Individual to be identified.

**What happens to the Consent Form once it is completed and signed?**

The Consent Form is retained by the Department and it will be placed on the Individual's file and/or the project file. The Individual or Signatory may request a copy of the signed form by contacting the Principal of the school.

**What if I give my consent and later change my mind?**

This consent will be in effect from the date the Consent Form is signed. The Department and the State will then start using the Individual's personal information and Individual work to create material incorporating the Individual's personal information and Individual work and entering into contractual obligations in relation to that material.

If you wish to later modify or revoke this consent, the Individual or the Signatory should send a notice in writing to the person nominated in Section 2 of this Consent Form. After that notice is received, the Department and the State will not make any new additional use of the Individual work, but any existing uses will continue.

Where the Department or another person uploads material to a Social Media Website or other website, it may need to accept contractual obligations that are perpetual and irrevocable. It may not be possible to ensure that all copies of the material are deleted or cease to be used, and the Department and the State cannot take responsibility for doing so.

**Privacy**

The consent to the recording, use and disclosure of the Individual's personal information and Individual work is required in accordance with the *Copyright Act 1968* (Cth), the *Education (General Provisions) Act 2006* and the *Information Privacy Act 2009*. Personal information will be stored securely. The Department will only disclose the Individual's personal information in accordance with your consent, except where authorised or required by law. If you wish to access or correct any of the personal information on this form or discuss how it has been dealt with, or if you have a concern or complaint about the way the Individual's personal information has been collected, used, stored or disclosed, please contact the school.

### RELIGIOUS INSTRUCTION

Dear Parent/Carer

We would like to inform you about the Religious Instruction (RI) arrangements in 2021. If you wish to make any changes to your current preferences regarding your child's participation in RI or other instruction, please complete the bottom section of this form. If there are no changes to be made, there is no need to complete this form or return it to school.

Queensland state schools embrace a multitude of cultural, religious and non-religious beliefs. Under the *Education (General Provisions) Act 2006*, schools are to provide RI each week if approached by a faith group seeking to provide RI and students of that faith attend school.

RI informs students about the beliefs and values of a particular religion. It is delivered by volunteers of a faith group using instructional materials approved by that faith group.

All RI instructors must hold a blue card and participate in compulsory Student Protection and Code of Conduct training. RI instructors are only entitled to deliver the RI program outlined below. A school staff member will be present during the delivery of RI.

Participation in RI is not compulsory. Any student (except Prep students) may participate in RI if a parent has given consent and indicated a religion on the *Application for Student Enrolment Form* or in other written advice to the Principal. A parent, regardless of their own faith (if any), may choose to give consent for their child to participate in one of the RI programs listed below.

Any child not participating in RI, or whose nominated religion is not represented with the RI program/s at the school, will receive other instruction by a qualified member of school staff in a separate location during the time RI is held. Other instruction will relate to subject areas that have already been covered in class.

At any time, parents may provide written instruction to the Principal to change their preference for their child to participate in or be withdrawn from RI. If a parent does not update their consent by completing and returning this form their previous written instructions to the school will continue to apply.

The faith group/s that provide religious instructors to deliver the program at our school is/are listed below:

Arrangements for programs	Name of RI program	Delivery Details
Christian Co-operative Program Faith groups include: Uniting Church, Anglican, Catholic, Lutheran	Connect Curriculum	Tuesday or Thursdays (30 minute lesson)

## Parent Pre-enrolment Checklist

Please complete the attached enrolment application forms and return to Administration along with the following original documentation.

### Proof of Residency – In Catchment Enrolment

Our school continues to experience high demand for enrolment. To ensure our entire local “in catchment” students can attend our school, our Enrolment Management Plan provides clear direction on how enrolment applications will be managed.

Our Enrolment Officers must be very detailed in their checking of documentation of student’s principal place of residence by asking for:

- ☐ Utility bills (e.g. water bill) or a series of bills at for the same address over a sequential period to demonstrate continued/ongoing residency
- ☐ Electoral Roll verification letter
- ☐ Mobile phone statement (*with current address details*)
- ☐ Driver’s Licence (*with current address details*)
- ☐ Bank statement (*with current address details; financial details are not required*)
- ☐ Tax Assessment Notice (*financial details are not required*)
- ☐ Documents demonstrating recent change of address / re-location to within the school’s catchment area (e.g. Proof of sale or termination of lease for the previous principal place of residence in a different catchment).

If any of these documents are not provided, then a properly sworn Statutory Declaration from the enrolling parent or legal guardian attesting that the student’s principal place of residence is the place nominated in the enrolment application will be required.

Applicants should note that a false statement/assertion about the student’s principal place of residence may amount to an offence and may be reported to police. The Principal may repeal a decision to enrol a student in such circumstances.

### Other Identification

- ☐ Photo ID of parent/guardian enrolling
  - Driver’s license
  - Passport
  - Medicare card if students’ surname is different from the enrolling parent

### Additional Information

- ☐ Australian Birth Certificate OR Passport for the student (If not transferring from a Qld State School)
- ☐ Passport for the student born overseas
- ☐ Visa details for overseas students
- ☐ Two most recent Report Cards (Years Prep to Year 6)

***All the above documentation must be submitted at the time of enrolment.  
Incomplete Enrolment Applications will not be processed.***

***Thank you for taking the time to ensure that all documents and information are included with this enrolment application for MacGregor State School***
