

# Investing for Success

**Under this agreement for 2021  
MacGregor State School will receive**

**\$678,158**

## This funding will be used to

- Collaboratively review and redevelop the whole school English plan aligned with the Australian Curriculum including three levels of planning, assessment, moderation and reporting expectations to deliver consistent curriculum across the school.
- Deliver targeted and intensive support and extension programs to be enacted by a whole-school Learning Enhancement Team (LET).
- Improve the oral language development of students in the early years of education.

## Our initiatives include

- Our Heads of Curriculum will support teachers in implementing the Australian Curriculum (AC) with fidelity ensuring vertical and horizontal alignment.
- School leaders leading discussions with individual teachers and year level cohorts to analyse student achievement data to inform curriculum delivery & support.
- The provision of timely and relevant professional development for all staff to support research-based teaching strategies.
- The provision of quality teacher aides to collaboratively work with teachers to support the learning needs of all students.

## Our school will improve student outcomes by

Employ 2 x additional Heads of Department/Curriculum	\$279 000
Employ and train additional teacher-aides to deliver targeted support and extension programs	\$364 158
Enhanced access to additional Speech Language Pathologist	\$35 000

\* Funding amount estimated on 2018 data. Actual funding will be determined after 2019 enrolment data are finalised. Actual expenditure may be varied due to changes in finalised 2019 enrolment data and student learning needs.
