

Investing for Success

Under this agreement for 2020
MacGregor State School will receive

\$678158

This funding will be used to

- Improve the standards of deep learning in reading & writing.
- Improve the consistency in the teaching of English with a focus on reading & writing reciprocity.
- Development of targeted and intensive support and extension programs to be enacted by a whole-school Learning Enhancement Team.
- Improve the oral language development of students in the early years of education.

Our initiatives include

- Our Heads of Curriculum will support teachers with the use of the Literacy Continuum, data literacy and the formulation of individualised reading & writing goals for students.
- School leaders leading discussions with individual teachers and year level cohorts to analyse student achievement data to inform whole school support.
- The provision of timely and relevant professional development for all staff to support research-based teaching strategies.
- The provision of curriculum instructional coaching to enhance classroom-teaching strategies.
- The provision of quality teacher aides to collaboratively work with teachers to support the learning needs of all students.

Our school will improve student outcomes by

Employ an additional Head of Curriculum	\$160 000
