“Why” – School Council

- MacGregor State School (MSS) became an Independent Public School (IPS) in 2014 and established a School Council
- MSS Council was gazetted on 27 February 2015
- Greater involvement of the school community and other stakeholders, in setting the strategic direction for the school
- Responsibility to advise and approve strategic documents that set the direction, culture and tone of the school
- Help ensure that appropriate processes are directed and followed

Why I choose MSS?

As a parent invested in the success of our school, I would like my child –

- to benefit from a safe & nurturing school environment.
- to benefit from the best educational experience.
- able to access quality social, cultural, and extra-curricula activities.
- to be valued, included and have their unique qualities celebrated.
- to have access to high quality and inclusive practice.

Being involved in the School Council, I have the opportunity to contribute school's strategic direction.
